To Whom It May Concern

We, hereby, confirm that Mr Mohammad Ibrahim Mohammad AbuAmara, is a student at University Princess Sumaya University for Technology in Jordan and is currently following his Bachelor studies in order to graduate with a degree in Computer Science, which He enrolled in the year 2018.

The Bachelor ' students will need to complete an internship in the field of Computer Science in order to graduate. This practical experience in the industry is part of their program of studies and is mandatory in the curriculum.

Therefore, we strongly support Mr Mohammad, for his internship at *Google Switzerland* in Zurich, from 05.Sep, 2022 until 30.Dec, 2022.

At the end of his internship, the student will come back to the University to continue their studies, which ends in the year 2024.

During this period, Mr Mohammad will be registered as a regular student at the University.

Stamp and Signature from the University
